

**Radioactive Waste Disposal Form for  
Generally Licensed Uranium and Thorium Compounds**

**General Instructions:**

1. Do not mix different waste forms together. Keep solid and liquid separate.
2. Entries are to be made on this form each time waste is placed in the container.
3. Use a separate copy of this form for each container.
4. Sample waste descriptions: paper, plastic, glass, gloves, aqueous waste, hazardous chemical waste (specify chemical and quantity), etc.
5. When container is ready for pickup, have the PI sign and date at the bottom of the form. Waste will not be picked up without a completed and signed Form G.
6. To schedule a waste pickup request, visit [www.ors.gatech.edu/Secured/Waste.php](http://www.ors.gatech.edu/Secured/Waste.php) or call ORS at (404) 894-3605.
